# Gold Award

We're proud to announce call for entries for the 2013 KODAK Professional Gold Awards. In 2012 we had a great response with over 500 photos entered with 21 gold and 71 silver medals awarded. This year we look forward to your participation again and welcome those, who have not entered in the past to enter. Photographers recognise the value of these awards and actively promote their successful participation.

### Introduction

KODAK Professional is, once again, delighted to introduce the KODAK Professional Gold Awards 2013 as part of our ongoing commitment to support the Professional Wedding and Portrait Industry in New Zealand.

The Industry continues to recognise the need to raise the profile of Professional Wedding and Portrait Photography with the general public. By encouraging Photographers to enter and have their work judged, we offer an opportunity to continue the development of their creative skills. The resulting publicity generated from their successes will certainly raise the profile of Wedding and Portrait Photographers.

Photographers who achieve Gold Awards will receive certificates in addition to print corner identifiers. Silver Award winners will receive print corner identifiers.
